4. Freight Charges:

- i. The net price in the Marketplace (as mentioned in clause 3 above) may or may not be inclusive of freight charges in these categories. In case the seller desires to quote freight charges extra on per km basis, the same shall be indicated in the catalogue. The freight charge would indicate charges for inland transportation only.
- ii. In the scenario where the freight charges are quoted separately by the seller in the catalogue, additional fund is required to be blocked by the buyer on the GeM portal at the time of placement of contract to cover the fund requirement for freight charges on approximate basis. However, the payment of freight charges to the seller would be as per actuals. The seller can decline the order in case the freight charge blocked by buyer for budget purpose is less than applicable and incident for this denial of order will not be raised by the buyer against seller and will not be entertained by GeM.
- iii. After supply of vehicles, the seller while submitting the invoice will indicate the freight amount at actuals subject to upper ceiling of the funds blocked for budget purpose by the buyer.
- iv. In the scenario where the freight charges are quoted as zero by the seller in the catalogue and price on the portal are inclusive of freight charges, no additional fund for freight charge is required to be blocked by the buyer. Accordingly, buyer may select 0% on GeM portal as the additional funds for freight to be blocked over and above the total price on GeM portal.

5. Tax Collected at Source (TCS): In accordance with Section 206C(1F) of The Income Tax Act, for sale of a motor vehicle of the value exceeding INR 10 lakh, the seller shall collect from the buyer, a sum equal to one percent of the sale consideration (in case TCS is applicable to the buyer organization). The tax will be collected at the time of receipt of the payment from the buyer. Seller shall furnish to the buyer, a certificate to the effect that tax has been collected, specifying the sum collected, the rate at which tax has been collected and other necessary particulars. Accordingly, the buyer (where TCS is applicable) shall make the necessary provision for additional funds during purchase of vehicles to cover for TCS payment as per aforesaid provision.

6. For procurement through Direct Purchase, Delivery Period shall be 90 days. Delivery period for Built-up Vehicles like Standard Ambulances, Troop Carriers Police Vehicles, Truck with Water Tanker, Buses, and Built-up Trucks shall be 120 days considering extra time involved in fabrication.

7. OEMs shall ensure that the prices offered on GeM by them for a particular model is the lowest and no supply shall be made outside GeM to any Buyer, Government or Private, at a price lower or equal to that of GeM. In case of violation of this, GeM administration will review for removal of the model from GeM including other action as stipulated in General Terms and Conditions of GeM.

8. Under Rule 149 of the General Financial Rules (Amendment dated 10.07.2024), Direct Purchase is permitted without any financial ceiling for Automobiles. Accordingly, procurement can be done without any ceiling for vehicles under above Automobile categories from available sellers on GeM, meeting the requisite quality, specification and delivery period. The buyer may, at their discretion, choose to initiate bidding process for these categories. In the event of bidding the below shall be applicable:

i. The buyer shall refer to the DOE OM dated 27.09.2024 regarding the exemption for OEMs of vehicles from submitting Earnest Money Deposit (EMD) and Performance Security (PS).

ii. Freight charges shall not be paid as additional amount in case the procurement is done through bidding process since price offered in bidding is on free delivery consignee place basis.

iii. As mentioned in clause 6 above, the TCS charges (1% of the sale consideration) shall be paid by buyer separately over and above the contract value. Hence, sellers are advised not to include TCS charges while offering the price during bid participation.

9. The vehicle for Defence Buyer will be quoted separately with suffix "Defence" against each model. No Buyer other than Defence Buyer will select vehicle with suffix "Defence". In case Buyer does so, the responsibility for non-supply of vehicle rests with the Buyer. Seller can decline the order in this scenario and incident for this denial of order will not be raised by the buyer and will not be entertained by GeM.

10. No Government Buyer (Central/State/PSU/Autonomous body/Academic Institute/Local Bodies etc.) shall place any order at GeM prices outside GeM. Buyers shall note that prices on GeM are only
